Clara Barton Pre-visit Information

1. Please arrive on time. Our staff has set aside this time for you. If you are late, other visitors may be kept waiting.
2. We request one adult chaperone for every five children in a group. We remind you that it is the responsibility of the adults in the group to ensure discipline.
3. Your group will be expected to respect both the house and the landscape. The park ranger leading your group will explain the regulations for touring the house before the tour begins.
4. No public restrooms have been developed. We offer the use of one small restroom which accommodates only one person at a time. Large public restrooms are available at adjacent Glen Echo Park.
5. There is no public drinking fountain on the property.
6. Because of the historic nature of the house, the site is wheelchair accessible only on the main level.
7. A small picnic area is adjacent to the house. You are welcome to use it, but please assist us in maintaining this area by collecting and disposing of all litter. A larger picnic facility is available at adjacent Glen Echo Park.
8. Free parking is provided in our parking area. Please do not bring any vehicles into the driveway beside the house. Buses may park in the larger Glen Echo Park lot.
9. If you are coming by bus, please request a set of bus directions or visit: www.nps.gov/clba for this information. There are restricted roadways surrounding the site.
